**DEATHS.**

—Mr. E. J. McKimey, aged 46 years, passed away Saturday night at his home on the corner of Pleasant and Sixth streets, after several weeks illness with tuberculosis of the lungs. The deceased was the only son of the late Mr. E. J. McKimey, and was a young man who enjoyed the friendship of a large circle of friends. His ability as a mechanic was widely known throughout the county. He is survived by his aunt, Miss Dick McKimey, who made her home with him, and tenderly nursed him through his illness.

The funeral services were held at the grave yesterday afternoon, at 3 o'clock, in the Paris cemetery, conducted by Rev. Dr. B. M. Shive, assisted by Elder Carey E. Morgan.

**Conductor Dies on Train.**

Captain Douglas, one of the popular passenger conductors on the L. & N., died suddenly while on his run near Visalia Sunday evening of heart failure.

Capt. Douglas passed here for Cincinnati on the through train from the South, No. 32, about 6:20, for Cincinnati, and when near Visalia, a short distance South of Covington, sank into a seat and expired.

He had one of the fast passenger trains now running from Jacksonville, Florida, to Cincinnati, and had only recently been running on this end of the road, but had made many friends who will regret to hear of his demise.

**Poison Sprinkled.**

Paris green was sprinkled upon the butter and milk in dairy of Jack Roach on the Bryant's Station pike near Frankfort Friday night, in an evident effort to poison Mr. Roach's family. When he arose and went to his dairy house Mr. Roach discovered that it had been entered through a window which had been covered with a wire netting. The netting had been cut apparently with pliers or a hatchet. An investigation proved that the place had not been robbed, but that Paris green had been thickly sprinkled over everything in the place.

The milk and butter in the dairy was to have been delivered to Mr. Roach's customers Saturday and had it not been for his vigilance serious results might have followed the trick.

Capt. V. G. Millikin took the bloodhounds to the Roach farm in an effort to track the guilty persons, and it is believed that a strong clew has been secured.
